GrandBridge Energy Announces Two New Executive Leadership Team Members

Cambridge, ON (Tuesday, March 5, 2024) – Sarah Hughes, President & CEO of GrandBridge Energy Inc., is pleased to welcome two new members to the GrandBridge Energy Executive Leadership Team, effective immediately.

Dan Molon has been appointed Vice President, Finance & Chief Financial Officer. Tyler Tracey has been appointed Vice President, Customer Experience & Information Technology Services.

“Both Dan and Tyler have a wealth of industry knowledge and experience and have made significant contributions to GrandBridge Energy. I am excited to welcome Dan and Tyler to the Executive Leadership Team and look forward to working closely with them to achieve our Vision and Mission and continue to execute our Five-Year Strategic Plan,” said Sarah Hughes, President & CEO, GrandBridge Energy.

‘In his role as Vice President, Finance & CFO, Dan will be responsible for strategic and financial leadership, including all aspects of corporate finance, treasury, taxation, investor relations, financial planning and analysis, financial and management reporting, enterprise risk management, and regulatory affairs. He will also lead the development and implementation of GrandBridge Energy’s Environmental, Social and Governance Framework and Sustainability Reporting,” said Hughes.

Dan joined the organization in 2018 and has more than 10 years of progressive experience in Finance, Financial Planning and Analysis, and Regulatory Affairs within the energy sector. Dan is a Chartered Professional Accountant (CPA, CMA) and received a Master of Business Administration (MBA) degree from McMaster University.

Tyler Tracey, Vice President, Customer Experience & ITS, will be responsible for strategic leadership and operational direction of the customer service experience and information technology services. “Tyler will be a key advisor on important initiatives to enhance the customer experience and develop information technology solutions and services that enable and empower our customers and employees,” added Hughes.

Tyler joined the organization in 2021 and has a breadth of industry, customer and information systems knowledge and experience, having been in industry since 2005. Tyler has a Masters of Business Administration in Sustainable Commerce from the Lang School of Business and Economics, University of Guelph, a Bachelor of Arts, Honours degree from the University of Guelph, and a GIS-Applications Specialist Advanced Diploma from Sir Sandford Fleming College.

“I look forward to collaborating with our new Executive Leadership Team members, and all of our employees, to be a leader in energy transformation and bridge communities to the energy future,” said Hughes.
