------------------------	---------

## LOSS FACTORS

### TOTAL LOSS FACTORS

Secondary Metered Customer < 5,000 kW	1.029
Primary Metered Customer < 5,000 kW	1.0188

## ELECTRICITY RATES

### TIME OF USE / TIERED PRICE

Residential and small business customers can choose to pay Time-of-Use (TOU) and Tiered pricing as set by the Ontario Energy Board (OEB) or based on a contract with a Retailer.

More information on TOU and Tiered pricing is available on the OEB website at [oeb.ca](https://www.oeb.ca/).

**NOTE:** These rates and charges apply to customer located in the former Brantford Power service territory.

All charges are subject to HST.

To avoid interest charges, payment must be received by GrandBridge Energy on or before the due date. It is important to allow sufficient time for your payment to be received and processed, taking into account the time required for payment to be transferred from your financial institution or delivered by mail.

\*\* Note: Per OEB Decision and Order dated December 8, 2022 on the Wholesale Market Service rate and the Rural or Remote Electricity Rate Protection charge (EB-2022-0269).
