

OLDER APPLIANCES

costing you?

The **Energy Affordability Program** is here to help you stay comfortable and save energy year-round. See if you qualify based on household income, or the government benefits you receive.

Free energy-saving upgrades may include:

- Energy-efficient refrigerator
- Cold climate air source heat pump*
- Smart power strip
- And many more!

* For homes heated by electricity

RETROFIT PROGRAM

**SAVE ENERGY.
TRANSFORM YOUR BUSINESS.**

BIG CHANGES HAPPEN WHEN YOU START WITH SAVING ENERGY

With energy-efficient upgrades, you can find cost savings to reinvest in growing your business. Improve productivity, employee comfort and your customer experience along the way.

WHAT IS THE RETROFIT PROGRAM?

The Save on Energy Retrofit program offers businesses in Ontario incentives to upgrade equipment, reduce energy bills, lower their carbon footprint and increase productivity through two streams:

- **Prescriptive stream** for targeted retrofit projects focusing on commonly used products and technologies
- **Custom stream** for larger, more complex retrofit projects.

WHO SHOULD PARTICIPATE?

- Commercial
- Industrial
- Institutional
- Multi-family residential
- Agricultural
